

Hi,
You don't know me, but I just paid for your order. No gimmicks-its just something I felt like doing. I heard about people doing things for others on the radio. I listen to WCLC 105.1 in Jamestown, Tennessee. They call it the "Drive Through Difference". Maybe you will feel like doing this for someone else.

I know that WCLC Loves to share these and other kinds of stories on the air.

I hope that you receive a blessing today. Giving to you has been a blessing for me!

Sincerely,

The Stranger in
The car ahead
of you
